MEMORANDUM FOR: DEPUTY DIRECTOR(PLANS)

SUBJECT : Preparation of a National Psychological Strategy

REFERENCE : Memorandum from DD/P to ADPC, same subject, dated  
15 February 1952

1. Attached are six copies of the first of a series of studies dealing with the development of a national psychological strategy.

2. The enclosed paper approaches this problem primarily from the point of view of opc capabilities. A second paper will discuss courses of action irrespective of capabilities. A third paper will discuss the areas of threats and risks.

3. Time has not permitted me to become familiar with this paper, but it has had the attention of the principal members of this staff. I therefore am passing it to you, with their concurrence, in order to meet the deadline.
